Click on "New England Region Procurement Directory" under the
Small Business Publications tab.

Dear Prospective Vendor/Contractor:

The U.S. General Services Administration (GSA) is one of the federal government's biggest buyers, contracting for billions of dollars annually on products and services. This directory has been prepared to assist you in locating these opportunities.

Additionally, we have listed other resources that will help you locate bidding opportunities the Federal Business Opportunities (FedBizOpps) (<http://www.fedbizopps.gov>) has been designated as the single port of entry for vendors to search for federal government procurement opportunities that exceed \$25,000.00. FedBizOpps provides access to agency business opportunities twenty-four (24) hours per day, every day. Register on the Vendor Notification Service to receive notice of opportunities for your product or service.

The GSA Awards a substantial amount of contracts to small businesses. The New England Region Small Business Utilization Center is ready to assist in effective and strategic methods to advance the participation of small business in contracting.

The telephone numbers listed are the agencies main numbers. You need to ask for the procurement/contracting official(s) responsible for procuring or contracting for what you are offering.

We hope you find the directory helpful.

Deborah Tarleton

Our GSA Small Business Utilization Centers are often referred to as the “front door” to contracting with GSA. Each center is staffed with Business Specialists who can provide you with information or assistance concerning:

Locating a solicitation for your product or service in FEDBIZOPPS.

The process required for introducing a NEW/IMPROVED ITEM to GSA.

Providing information on where to obtain copies of Federal Specifications referenced in solicitations or invitations for bid.

Information regarding the sale of government-owned surplus property.

Public Internet access to sites containing information on contracting opportunities.

Networking opportunities for the New England Region.

Events: In order to find out about upcoming events, please visit GSA's Events websites: www.fss.gsa.gov/events and www.gsa.gov/smallbusiness (See Listing for Events)

There are eleven GSA Small Business Utilization Offices and Centers across the country (please refer to the following page for a complete list). Business Specialists at these locations will provide you with local procurement directories containing information regarding contracting opportunities within their regions.

Please Note: The New England Region GSA Small Business Utilization Center is not a purchasing or contracting office. Various addresses and telephone contacts provided throughout this directory will guide you to the proper purchasing or contracting office in the New England Region (CT, ME, MA, NH, RI, VT)

GSA INITIATIVES

In December 2003, the President of the United States and Congress enacted Public Law 108-183. This law established a preference for the U.S. federal government to contract with Service-Disabled Veteran-Owned Small Businesses (SDVOSBs). This law was enacted as a follow on to Public Law 106-50, which designated that three percent (3%) of the total value of all prime contract and subcontract awards by the federal government be awarded to SDVOSBs.

GSA has a Service-Disabled Veteran-Owned Business Initiative and is the fifth largest procurement organization of the U.S. federal government. In total, GSA acts as a catalyst for nearly \$66 billion annually in federal spending. GSA operates three unique business lines to fulfill the needs of their federal government customers. The Federal Supply Service (FSS), Public Buildings Service (PBS), and Federal Technology Service (FTS) all have opportunities to enable service-disabled veteran-owned businesses (vendors) to sell to the federal government through one of GSA's many contract vehicles.

Are you a Service-Disabled Veteran business owner?

- What is a service-disabled veteran? A service-disabled veteran, as defined in 38 U.S.C. 101(2), is a veteran with a disability that is service-connected, as defined in 38 U.S.C. 101 (16).
- What qualifies as a service-disabled veteran-owned small business? A service-disabled veteran-owned small business is a small business concern, at least 51 percent owned by one or more service-disabled veterans; or in the case of a publicly owned small business, **at least 51 percent** of the stock is owned by one or more service-disabled veterans.

For more information about the program, please visit the Service-Disabled Veteran-Owned Business (SDVOSB) website at <http://www.gsa.gov/service-disabled>, or call the phone number listed below:

GSA Native American Business Center (NABC)

The mission of the NABC is to reach out to the Native American/Alaska Native community by supplying facilities, supplies, and technology to support economic prosperity and streamline the acquisition process. The NABC provides the Native American and Alaskan Native communities with resources and information that will assist them in learning how to obtain government contracts and marketing their product.

Additionally, the NABC coordinates Native American and Alaska Native populations with federal, state, and local agencies, businesses, and industries in providing contract opportunities throughout Indian country. For more information about the program, please visit the NABC website at <http://www.gsa.gov/nabc> or call the phone numbers listed below:

Native American Business Center (NABC)

Fax: (303) 236-7280

GSA NEW ENGLAND REGION CONTACTS

The Federal Government Offices located within the New England Region, listed within this directory may buy your product/service on a small purchase basis.

GENERAL SERVICES ADMINISTRATION (GSA)

<http://www.gsa.gov>

The General Services Administration (GSA) contracts for about \$10 billion worth of products and services each year. Because GSA buys and leverages so much and uses taxpayer dollars, GSA has special responsibility to obtain the best quality and value possible for money spent. GSA awards a majority of its contracts to small businesses since they generate the majority of new jobs and contribute substantially to the Nation's economy. The majority of the agency's buying is handled by its three major procurement services: the Federal Supply Service (FSS), the Public Buildings Service (PBS) and the Federal Technology Service (FTS). In order to pursue possible subcontracting and/or small purchase opportunities, within the New England Region, we are providing a list of New England Regional Contacts and government buildings that are under GSA jurisdiction. GSA associates at these locations can assist you in identifying current building managers/contractors.

PUBLIC BUILDINGS SERVICE (PBS) is responsible for planning, designing, building, restoring, renovating, decorating, providing landscaping for, and leasing (civilian occupied) Government owned buildings and other facilities. It is also responsible for the buildings' operations, maintenance and security.

WHERE TO LOOK FOR BID OPPORTUNITIES

FEDERAL BUSINESS OPPORTUNITIES (FEDBIZOPPS)

(www.fedbizopps.gov)

Since October 1, 2001, Federal Business Opportunities (FedBizOpps) has been designated as the single source for all federal government procurement opportunities that exceed **\$25,000**. **All federal agencies are required to advertise at this site.** The General Services Administration (GSA) Bidder's Mailing List has been replaced by the FedBizOpps. In order to register to receive procurement announcements from the FedBizOpps (<http://www.fedbizopps.gov>), you can visit the website and under related links "click" on the link for Vendor Notification Service and follow the instructions. Or you may contact the FedBizOpps Help Desk at 877-472-3779 and they will assist you in registering for the Vendor Notification Service.

GSA FORECAST OF CONTRACTING OPPORTUNITIES is an annual on-line document that lists GSA's anticipated contracting opportunities for the current or upcoming fiscal year, giving prospective contractors enough lead time to develop marketing strategies, compile the necessary information and carefully prepare proposals. It is at <http://www.gsa.gov/smallbusiness>, look under Publications and click on **Contracting Opportunities**

GSA SUBCONTRACTING DIRECTORY is a listing of large companies who have contracts with GSA for goods or services worth \$500,000 or more (\$1 million or more for construction). Public Law 95-507 requires these contractors to have subcontracting plans that suggest the dollar value and the percentage of goods and services that may be supplied through subcontracts with small, small disadvantaged, women owned small, HUB Zone small, veteran-owned small and service-disabled veteran-owned small businesses. The Subcontracting Directory is an online publication located at <http://www.gsa.gov/smallbusiness>, look under Publications and click on Subcontracting Directory.

PRO- NET and CENTRAL CONTRACTOR REGISTRATION (CCR), on **January 1, 2004**, the Small Business Administration's (SBAs) **PRO- NET** and Department of Defense's (DODs) **Central Contractor Registration (CCR)** databases were integrated to create one portal for entering and searching for small business sources. This integration assists small businesses with marketing their goods and services to the federal government. **CCR** is the primary vendor database for the Department of Defense (DOD), NASA, Department of Transportation (DOT), and Department of Treasury.

Current and potential government vendors are required to register in CCR in order to do be awarded contracts by the DOD, NASA, DOT and Treasury. Vendors are required to complete a one-time registration to provide basic information relevant to procurement and financial transactions. Vendors must update or renew their registration annually to maintain an active status. Registration does not, however, guarantee business with the government. The CCR Assistance Center can be reached at 888-227-2423 or 269-961-4725, available 24 hours, 7 days a week.

SUB-NET <http://web.sba.gov/subnet> is where prime contactors post subcontracting opportunities. Small businesses can review this web site to identify opportunities in their areas of expertise. While the web site is designed primarily as a place for large businesses to post solicitations and notices, Federal agencies, state and local Governments, non-profit organizations, colleges and universities, and even foreign Governments also use it for the same purpose.

TECHNICAL ASSISTANCE

U.S. SMALL BUSINESS ADMINISTRATION

<http://www.sba.gov>

The Mission of the U.S. Small Business Administration (SBA) is to maintain and strengthen the nation's economy by aiding, counseling, assisting and protecting the interests of small businesses and by helping families and businesses recover from national disasters.

FEDERAL PROCUREMENT DATA SYSTEM (FPDS)

The FPDS report is published annually by the Federal Procurement Data Center. It contains information on contracting activities of all federal agencies and provides information valuable for market and geographical analysis. The report identifies the type of products and services bought by the agencies along with prime contractors who receive the majority of the Federal contracts in each state. You may request special reports, which can help in tracking the demand for a specific type of product or service or the value and number of procurements by an individual agency or procurement office. A fee is charged for special reports. For more information about the program, please visit their website at <http://www.fpdcc.gov> phone number listed below:

FEDERAL AGENCIES AND DEPARTMENTS IN NEW ENGLAND

Listed below are other Federal Departments and Agencies that are located in the New England Region that may or may not buy your products/services on a small purchase basis.

DEPARTMENT OF DEFENSE (DOD)

http://www.defenselink.mil/other_info/business.html

The Defense Contract Management Agency (DCMA) has offices throughout the nation to manage defense contracts awarded by the various buying activities of the Army, Navy, Air Force, Defense Logistics Agency (DLA), National Aeronautics and Space Administration (NASA) and other Government Agencies. DCMA performs inspections, acceptance, payment, production monitoring, price/cost analysis, contract change negotiation, contractor systems reviews, and numerous other contract administrative functions involved with on-going contracts. Although not a buying organization, DCMA's small business specialists provide information and counseling to businesses about contracting opportunities with Defense Agencies/Offices, as well as subcontracting opportunities with prime defense contractors within New England.

POINT OF CONTACT

DEFENSE CONTRACT MANAGEMENT AGENCY (DCMA) - Boston

495 Summer Street
Boston, MA 02210-2138

DEFENSE LOGISTICS AGENCY (DLA)

<http://progate.daps.dla.mil/home>

DOD and other Government agencies only conduct business with vendors registered on the Central Contractor Registration (CCR) <http://www.ccr.gov>. All Government agencies require vendors to be registered in the CCR.

DLA has a Customer Contact Center that is dedicated to be your “one call resolution” point of contact for all logistics issues related to DLA. The toll free phone number is 1-877-352-2255 (DLA-CALL) or call (296) 961-7766. Please visit their website for more information at http://www.supply.dla.mil/dla_call.asp.

DEPARTMENT OF VETERANS AFFAIRS (VA)

<http://www.va.gov/oa&mm/busopp/index.htm>

The National Acquisition (NAC) in Hines, Illinois, is the largest combined contracting activity within the Department of Veterans Affairs (VA). The NAC contracts for some of the following items: medical, dental, surgical supplies and equipment; pharmaceuticals and chemicals; semi-perishable foods; prosthetic and orthopedic aids; medical radiological; and laundry equipment; medical wear and flags. The NAC maintains active solicitation mailing lists from prospective suppliers for the various items procured. The Veterans Administration also purchases locally through their VA Medical Centers. The following are their New England locations: Correspondence should be sent to the attention of the purchasing office.

MARKETING ASSISTANCE FOR GSA FEDERAL SUPPLY SCHEDULE CONTRACT HOLDERS

SELLING FOR SUCCESS IN TODAY'S WORLD

You are finally on a **GSA Federal Supply Schedule (FSS)** - So now what?

Congratulations on your company becoming a business partner with the General Services Administration (GSA) under our Federal Supply Schedule (FSS) Program. GSA FSS has Customer Service Marketing Representatives, who will inform you about the basic tools and helpful information the FSS Office of Marketing can provide in order to polish your promotional and advertising methods.

Learn how to identify and capitalize on new business opportunities as well as gain insight on what you need to do to have the competitive advantage. Also learn helpful hints on increasing your ability to sell successfully. Listed below is the contact information for the New England GSA/FSS Customer Service and Marketing Representatives:

U.S. General Services Administration
Federal Supply Service
Customer Service & Marketing Division (2FMS-1)
10 Causeway Street, 3rd Floor, Room 347
Boston, MA 02222-1076

Robert Cobbett	robert.cobbett@gsa.gov	617 565 7303
Annie Kuhn	annie.kuhn@gsa.gov	617 565 7300
Peter Sullivan	peter.sullivan@gsa.gov	617-565-7315

VENDOR SUPPORT CENTER (VSC)

The GSA FSS Vendor Support Center is the online source for Schedule Contract Holders to get information, review and report sales, and more. You can contact them by phone at (703) 305-6235, toll free at 877-495-4849 or email at vendor.support@gsa.gov or visit their website at <http://vsc.gsa.gov>.

PUBLICATION: A copy of "The Steps to Success, How to be a Successful Contractor" publication is available at <http://vsc.gsa.gov/stepstosuccess.pdf>. This is the Federal Supply Service's first contractor-specific publication for tips on making the most of your schedule contract.

GSA MARKETIPS MAGAZINE

PUBLICATION: GSA's Federal Supply Service (FSS) MarkeTip Magazine is the first contractor-specific publication for tips on making the most of your schedule contract. Advertising space in MarkeTips is **free of charge** and is offered on a first-come, first-served basis due to limited ad space, ads are not guaranteed. MarkeTips Magazine is the key to the federal marketplace and has a mailing list of over 100,000 federal buyers. MarkeTips Magazine provides an opportunity for GSA schedule contract holders to promote their products to federal agencies. For more information about the MarkeTips Magazine, you can email Marketips at gsa.marketips@gsa.gov or visit their website at <http://apps.fss.gsa.gov/pub/marketips.cfm>
